### **Items discussed**

1. NP Progress update.

In summary, they are very far advanced and doing a great job. It was agreed at the meeting to shorten the NP timescale, as proposed by the SG, with the aim of giving our NP more legal weight with reference to LPP2.

2. Financial Matters arising.

It was agreed that the finances so far of the NP have been shared to the satisfaction of both PC's. Future significant spend will be again be tendered.

3. Grant applications.

An update was given on the grant applications and that GEB has done a superb job obtaining these. An update on grant applications has been detailed in the SG minutes.
